To Our Friends and Neighbors

Community Assistant & Benefit Corporation (CAB Corp) in partnership with the Palm Beach County Volunteer Fire Rescue Battalion and the Palm Beach County Drowning Prevention Coalition are proud to announce the 9<sup>th</sup> Annual Golf Tournament in support of Battalion 4 fire rescue stations. The outing will take place at Indian Spring Country Club in Boynton Beach on April 19, 2012

CAB Corp is a tax exempt 501(c)(3) charity with an all volunteer staff. We raise funds to support the fire rescue stations in obtaining life-saving equipment and supplies not funded by the county. In addition to our golf tournament, contributions, large or small, made by local communities and folks like you provide our funds. Your donations tell the men and women of fire rescue “WE CARE, and appreciate the vital job you do.”

We are seeking your assistance in making this a most successful campaign. Donations such as Gift Certificates, Merchandise, and/or cash are desperately needed. There are also a number of Special Activity Sponsorships available. See the back of this letter for particulars.
